LLM Capital Partners LLC

Growth capital for the middle market

Announcing our Recent Investment

Ingenios Health Holdings, Inc. | Boston, MA

www.ingenioshealth.com

The Company

Ingenios Health Holdings, Inc. is a provider of in home health risk assessments for Medicare Advantage plan members. John Shermyen, founder and CEO of LogistiCare, Inc., a prior successful portfolio company of LLM's principals, co-sponsored the acquisition and will be Chairman and CEO of the company.

The Deal

LLM and John Shermyen, along with co-investments from Hickory Ridge Capital and existing Ingenios (f/k/a Best Practice Disease Management, Inc.) investors, financed the acquisition and provided capital for growth.

The Rationale

LLM's investment in Ingenios allows LLM to back a proven operator providing in home health risk assessments and, in the future, transitional care and chronic care management services to help Medicare Advantage and other payors manage their members more efficiently.

About LLM Capital Partners

.....

LLM Capital Partners LLC makes growth equity investments in middle market companies. Our investment strategy is to provide expansion capital to growing companies with entrepreneurial management teams that are significant owners of their businesses.
